ROAD RESURFACING:

The Department of Highways has advised the Board that as part of the Town's 5-year resurfacing plan for University Gardens, work on two roads within University Gardens will begin in September. The first two roads will be Merrivale Road between Northern Blvd. and the Village line (approx. 2,300 feet) and Wensley Drive between Northern Blvd. and the dead end (approx. 2,000 feet). The Board will advise the community when additional information regarding the 5-year plan is made available.

The Board is pleased to report that it has negotiated an agreement with Winter Brothers to remove the 2 monthly surcharges that were added to our accounts since June.

Credits will be issued for the months of June, July and August.

The Board has been advised that the adjustments are scheduled to be made on September invoices.

Please review your statements, and contact Deidre Jacoby,
